SATURDAY 23 FEBRUARY 2019

19 :00 – 01 :00 + AFTERPARTY

IN 30 BRUSSELS MUSEUMS

On Saturday 23 February 2019 from 19:00 to 1:00, during the 12th edition of Museum Night Fever – Brussels' museum night – 1000 young creatives are given carte blanche in 30 Brussels' museums.

Contrary to other European museum nights, Museum Night Fever has young and local talents take over its programme. A unique way to question the classic image of museums and their collections.

To be expected are music, performances, dance, visual arts, film, animations, glitter, glamour and a big dose of creative madness. All of this aligned with our museums' temporary exhibitions and riveting collections.

30 museums in total, with 7 new members joining the creative crew this year, are making this edition the biggest one so far:

- **Coming back:** BOZAR, BELvue Museum, Choco-Story Brussels, CINEMATEK, Coudenberg, experience. brussels, ING Art Centre, Crossbow Museum, ARGOS – Centre for Art and Media, art et marges museum, Autoworld Brussels, House of European History, Brussels City Museum, Fashion & Lace Museum, GardeRobe MannekenPis, Army Museum, Museum of the National Bank of Belgium, Jewish Museum of Belgium, Museum of Natural Sciences, D'Ieteren Gallery, Fondation Boghossian, MIMA - Millennium Iconoclast Museum of Art and WIELS.
